

Men's Basketball League Payment Policy

Affective January 19th, 2009 all team/individual fees must be paid in full before a team will be added to the upcoming season's schedule. Captains may choose to either pay the team fee, or have each player register and pay their own individual fee. The team roster will be set on the last day of registration and no players may be added after that time unless approved by the Program Director. **Payments will no longer be accepted after the season has started.** Sorry for any inconvenience that this may bring, but this policy will help the Fort Meigs YMCA basketball League run more successfully. Registration can be done at the Member Service desk. After the final registration date your team captain will be contacted with your first game time. If you have any questions or concerns please feel free to contact me 419-251-9622 or by email ldoria@ymcatoledo.org.
